

**MIRAMONTE ELEMENTARY SCHOOL
CAASSP Assessment Notice to Parents**

March 28, 2017

Dear Parents and Guardians of Third- Sixth Grade Students:

Beginning on April 4 2017, your children will begin the CAASSP Assessment Tests. These tests are designed to provide information regarding student learning during this school year. There will be one test prior to Spring Break and the other assessments will begin after Spring Break. In order to ensure that students do well on these assessments, we are asking that you partner with us to ensure their success.

- Make sure that your child goes to bed early the day before each assessment
- Make sure that your child arrives to school on time
- Make sure that your child either eats a good breakfast at home or arrives in time to eat breakfast at school
- Encourage your child to do their very best so they can demonstrate the learning that they did this school year
- **Please schedule any doctor appointments on other days and ensure that your child is here each day of testing**

In order to encourage students to do their best, we are going to have incentives for students. Students will be awarded tickets for coming to school on time, for eating a good breakfast and for trying their best. The incentives will include:

- Weekly drawing on Friday one winner from each grade level
- A final drawing of a bicycle and helmet-one winner from each grade level

Below you will find the testing schedule. If you have any questions, please contact your child's teacher or the main office.
